Dear Secretary / Manager

To enable us to make the registration procedure run smoother next season we require all of the current under 10 and 13 teams to submit **recent** digital photos for all players. We also require **recent** photos for any of the current U15, U16 and Youth teams who have not submitted photos in 2011 or 2012. We would like all photos to be with us no later than the Sunday 13th May. The resubmission of photos used on this season's cards is not acceptable as they are not recent enough.

Note: You will need to provide a passport sized digital photograph (.jpg), with the file name in the format [*surname, forename*]. Files may be provided on, for example, a flash drive, CD, USB stick etc. that will be returned. The photo must be recent and of the player's head & shoulders and must have the player's face fully visible; with no headgear being worn, exceptions to headgear shall be on religious grounds or at the discretion of the Registration Secretaries.

Please bring them to one of the league meetings or email them to us.

We understand that you may submit photos of players who will not be with you next season.

If you have any queries please give us a ring.

Regards

Dave & Yvonne Moore 07541 988017 for U12 to Youth
Dale & Michelle Horsley 07923 065664 for U8 to U11
